# PETITION TO ESTABLISH ATTORNEYS' LIEN

**THIS DOCUMENT RELATES TO:**

**Plaintiffs' Master Administrative  
Long-Form Complaint and  
Rafferty, et al v. The National  
Football League No. 4:12-cv-02302  
USDC, EDPA. 2:12-cv-04741**

**ROBERT D. BEAN**

**TO THE COURT, ALL PARTIES, AND THEIR ATTORNEYS OF RECORD:**

Now come the Petitioners, Matthew C. Matheny and Jacqueline Ryall for Provost  
Umphrey Law Firm, L.L.P., pursuant to executed employment agreement and state as  
follows:

- (1) Provost Umphrey Law Firm, L.L.P., is a Limited Liability Partnership comprised of lawyers practicing law. It is based in Beaumont, Texas. Matthew C. Matheny and Jacqueline Ryall are attorneys admitted to practice before the courts of Texas, and file this lien for attorneys' fees plus expenses as set forth hereinafter.
- (2) On or about June 6, 2012, Petitioners were retained and employed by the Plaintiff, ROBERT D. BEAN, through a referral from the Mokaram Law Firm, where ROBERT D. BEAN executed a contingent fee contract and in accordance with the terms in a NFL Concussion Litigation Joint Venture executed by the Provost Umphrey Law

Firm and the Mokaram Law Firm, to pursue a claim for injuries and damages related thereto possibly caused by the National Football League's and all other responsible parties' liability for former and/or retired NFL players' long-term brain injuries and other head injuries and damages associated with football-related concussions, head and brain injuries.

- (3) From June 6, 2012 through December 28, 2017, Matthew C. Matheny and Jacqueline Ryall of the Provost Umphrey Law Firm, L.L.P. represented Robert D. Bean in this matter under a 33.3 % contingency fee agreement. The document was signed by Robert D. Bean. The specifics of the contingent fee agreement are as follows: If no recovery (by settlement or trial) is obtained, client will not owe a legal fee or expenses. If a settlement or judgment for the client is obtained, client(s) will pay Petitioners thirty-three and a third (33.3) percent of the net recovery. In addition, it is agreed that all costs, out of pocket expenses, computer-assisted legal research expenses, financing expenses and/or interest incurred in borrowing the money necessary to finance the expenses on this case, as well as any offsets, will be paid by the client by deduction from client's share of the recovery after calculation of attorney's contingent fee.
- (4) When this contract was entered into by Robert D. Bean, he entered into the risk and expense of the litigation before any settlement discussion had been held. Pursuant to this agreement, the Petitioners filed a Long-Form Complaint on August 1, 2012, which is the subject of the instant action.
- (5) From the date the Petitioners were authorized to proceed on behalf of Robert D. Bean, the Petitioners have actively and diligently applied themselves to the

investigation, preparation, and pursuit of Plaintiff's claims, and have taken all steps necessary to prosecute those claims, including, but not limited to, the preparation and filing of two complaints; correspondence and communications with the client; review of the NFL Questionnaire, requesting updates of Plaintiff, requesting Mr. Bean's updated medical status, conducting medical research of Plaintiff's medical condition, preparation for and holding teleconferences, and preparation for and attending meetings and hearings on this case in Pennsylvania as well as New York City.

- (6) The necessity of the withdrawal of the below signed counsel is due to notice from the client, Robert D. Bean that he wishes to terminate the attorney-client relationship. It is anticipated that a new attorney will shortly be entering an appearance for the Plaintiff in this action.
- (7) Petitioners were not terminated by Plaintiff for cause, and the termination was not due to malfeasance or other improper action on the part of Petitioners.
- (8) The Petitioners claim the right to have a lien for attorneys' fees and expenses established and enforced upon any sums to be derived from any settlement or judgment obtained or to be obtained by Plaintiff in this action.

WHEREFORE, the Petitioners pray:

- (1) That their attorneys' lien be determined;
- (2) That the amount of the lien be established;
- (3) That the Court order that the Petitioners be entitled to enforce their attorneys' lien against the proceeds to be derived from any settlement or judgment in this action;

(4) That the Defendant or the Defendant's insurer be prohibited from paying to the Plaintiff any sum of money until said lien has been satisfied;

(5) For such other and further relief as this Court deems just.
